# About The Epilepsy Foundation of Metropolitan Washington

Epilepsy is a medical condition that produces seizures affecting a variety of mental and physical functions. Almost 3 million people in the U.S. have some form of epilepsy.

The mission of the Epilepsy Foundation of Metropolitan Washington is to ensure that people with seizures are able to participate in all life experiences; and prevent, control and cure epilepsy through services, education, advocacy, and research.

All proceeds from this tournament will go to The Epilepsy Foundation of Metropolitan Washington to support epilepsy programs, services and research efforts commissioned by the national office.

For more information, you can visit the Foundation's website at [www.efmetrowashington.org](http://www.efmetrowashington.org).
