Our **NEWBIE ROUTE** has been developed for those who want participate in our Treasure Hunt, but not attempt to solve all 10 clues. This route is shorter which saves on gasoline and travel time. The 6 clues are the same as what is incorporated into the PRO ROUTE.

If you've never participated in a hunt before, the clue below is a sample of what you need to solve as you move from site to site. Each team needs a telephone book as the number at the bottom of the clue correlates to either an address or the phone number of the next clue location. Can't solve the sample clue? Just send an e-mail to [events@ohioepilepsy.org](mailto:events@ohioepilepsy.org) for the answer!

Once registered, your Team Captain receives instructions and a clue which must be solved as it gives the starting location of the event. A Telephone Hot Line Number " will be provided in case you have trouble deciphering any of the clues during the Hunt as you find the route to the party.
